TOTALS for first half of June:			

Past participants found that the Hours Tracker provided a useful record of their training activity.

If you are NOT striving for a HIGH ACHIEVER medal, completing an Hours Tracker is NOT required. Updating hours in Race Roster IS required to track your qualifying time and earn a pin. (High Achievers, see last page).

Enjoy a FUN and safe experience! [Tips to promote your safety and your horse's well-being.](#)

VERIFICATION FOR HIGH ACHIEVER AWARDS:

- Eligible High Achievers must submit a copy of their Hours Tracker to the Challenge Coordinator, Challenge@chhaps.ca, as proof of completion by September 15.
- In the event of a tie, the winner would be the handler who demonstrates best stewardship, balancing training and care for their equine.
- A participant who records what appears to be excessive hours for a given day, or series of days, may be contacted by event organizers during the event, (entry errors may need editing). Repeated logging of excessive hours or counting non-qualifying activities may result in medal disqualification.
- Double check your Race Roster entries before Sept 10! Look out for duplicate entries on a given day which falsely inflate hours. Oops! Failure to delete duplicate entries may result in medal disqualification.
